Bobcat

One Tough Animal

COMPACT EXCAVATOR

E10z

0–1 t

Europe

EXCEPTIONAL POWER IN A COMPACT DESIGN

With a retracted track width of only 71 cm, the Bobcat E10z compact excavator can access cramped jobsites where exhausting manual labor is the only alternative. It easily fits through narrow openings and works in tight spaces. And its Zero House Swing provides maximum flexibility to pivot and deposit soil while avoiding collisions with surrounding property.

At Bobcat, we understand the importance of having the right products and services.
