

HUSQVARNA GX 560

The Husqvarna GX 560 petrol hover mower has all the benefits of a hover mower with the added freedom that a petrol lawnmower brings. By floating on a cushion of air the GX 560 is lightweight easy and to manoeuvre, enabling the user to cut the grass easily in awkward and difficult to cut areas of the lawn. Designed for large-scale domestic and semi-professional use the GX 560 hover mower features a powerful, high quality engine for use on slopes of up to 45°.

Cuts on slopes up to 45°

Cuts continuously on slopes up to 45° due to the oil throw engine lubrication system.

Manoeuvrable

Easy to move around obstacles in the landscape such as flower beds, trees and up to edges.

Air cushion

Floats on a cushion of air and cuts easily in any direction.

Transport wheels

Transport wheels for improved manoeuvrability in use and easier transportation - available as an accessory.

FEATURES

- Cuts easily in any direction through air cushion.
- Easy to move around in any directions.
- Cuts continuously on slopes up to 45°.
- Transport wheels as an accessory.

Technical specifications
