

StarGreen AS200

200 litre Tractor Mounted Amenity Sprayer

Product Description

Whilst the StarGreen AS200 is our entry level sprayer it still has the build quality, finish and high specification components found on the larger sprayers within the StarGreen range. Supplied as standard with manual controls and a 200 litre tank it is a useful sprayer and is ideal for spraying small areas in and around a golf course, sports turf and amenity areas. The AS200 can be supplied with various optional extras which include amongst others a foam bout marker and three cylinder pump.

specification continued overleaf...
