Carriage charges

Charged at cost

Aluminium pipes are sold in bundles as below and carriage will be extra

4" x 9 Mtr pipes	Pack Qty 100
5" x 9 Mtr pipes	Pack Qty 64
6" x 9 Mtr pipes	Pack Qty 49

108mm x 9 Mtr pipes	Pack Qty 64
133mm x 9 Mtr pipes	Pack Qty 49
159mm x 9 Mtr pipes	Pack Qty 36

Fuel bowzers

GCFB220T

- 1000 litre (220 gallon) capacity with over 110% bund
- Fully compliant to ADR - IBC - UN approval
- Fitted with implosion and explosion safety valves.
- Complies with the latest VOSA type approval regulations, IVA (individual vehicle approval) certification and current regulation lighting.

GCFB220TAB

- Rear mounted 220 litre integral AdBlue tank & 12v pump
- Fuel and AdBlue hoses retractable from the rear
- LED lighting as standard

Parts to fit Bauer

All parts are galvanised steel unless otherwise stated

GREENCROP

Non return valve

Complete with female coupling and male lever lock coupling

Greencrop irrigation diesel pumps

GC EP125W

- 385 gallon (1,760 litre) two wheel tank chassis
- New Iveco N45MSTX20 tier 111 93kw (126hp) 4 cyl turbo after cooled engine
- Caprari MEC MG 80-4/3 pump mounted on flywheel housing
- Greencrop's own user-friendly control and engine protection panel

- Semi Auto Electric Primer
- Tray under engine to catch any spilt engine oil/water
- Detachable draw bar
- Water meter with no flow/low/high flow sensor
- 100mm check and non return valve
- Fully acoustic cabinet to 72db at 1m
- Fully bunded fuel tank complying with latest regulations

GC EP170W

- New Iveco NEF 67MSTA 170hp 6cyl turbo charged after cooled engine
- Caprari MEC MG 100-2/A pump mounted on flywheel housing
- Throttle Controller

GCEP051 & GCEP075

- Choose 51HP or 75HP, fitted with Rovatti or Caprari pumps to suit application
- Mounted on 800 litre bunded chassis tanks with lockable fuel cap
- Elcos control and protection system
- Manual hand primer, flow switch and safety return valve
- GSM phone control with auto electric primer
- Engine compartment sound proofing
- Engine canopy weather protection
- Suction kit with foot valve
- Electric primer

Greencrop irrigation pump fittings

Suction fittings

- 5" Suction arrangement including:
- 6mtr of heavy duty epdm suction hose
 - 5" Genuine Bauer footvalve
 - Male/female lever couplers fitted w/ spiral hose clips

- 6" Suction arrangement including:
- 6mtr of heavy duty epdm suction hose
 - 6" Genuine Bauer footvalve
 - Male/female lever couplers fitted w/ spiral hose clips

Delivery fittings

- 4" Or 5" delivery arrangement including:
- Flanged check valve
 - Butterfly valve
 - Delivery swan neck
 - 4mtr of high pressure layflat hose with couplers to suit

Greencrop irrigation pump fittings

GREENCROP

Exhaust primer kit complete

Exhaust priming kit includes:

- Silencer for mounting on existing diesel pumps IF-RE0101
IF-RE0100
- Primer ONLY
Primer c/w EXHAUST

12 Volt vacuum primer

12V Vacuum priming kit includes:

- Liquid ring vacuum pump IF-RE0103

Hand priming pump

Aluminium hand primer

- Pump complete w/ mounting bolts & backing plate for direct mounting to suction extensions
- 1/2" BSP Inlet IF-RE0100
11/4" BSP Outlet IF-RE0101
- Primer c/w EXHAUST
Primer ONLY

Footvalves with male lever coupler

5"	BAUER Footvalve	IF-62939

IF-RW4010	1/2" BSP	IF-RW4125	125mm
IF-RW4011	3/4" BSP	IF-RW4150	150mm
IF-RW4012	1" BSP	IF-RW4200	200mm

Water meters that can be supplied with 1x male coupling & 1x female coupling

IF-RW3100	100mm/4"
IF-RW3125	125mm/5"

Basket strainer – small

IF-RA5370 For 3" – 6" suction lines

Basket strainer – large

IF-RA5380 For 5" – 8" suction lines

Greencrop fresh water hose reelers

- Full range of painted and galvanised layflat hose reelers
- Front or rear mounted plus trailed
- From 600 to 2000m units

Oroflex lay-flat hose

Supplied in many sizes with couplings as required.
Uses include clean and dirty water applications

GC3/ 65 Clean water PTO pump

- Caprari pump model MEC D3/65 B - 540 PTO
- 4" pump with outputs between 40 and 96 m³/hr
- HP required between 50 and 70hp
- Galvanised three point frame
- PTO shaft
- Hand priming w / gate valve
- Suction and delivery flanges
- Male ball couplers with adaptors
- Suction kit diameter - 120
- Swan neck outlet pipe with Bauer 4" coupling
