|---|-------------------------------|---|--|
| Capacities  |                               | Metric  |  |
| Max. capacity   | Q                             | 3700 kg   |  |
| Max. lifting height   | h3                            | 6.90 m  |  |
| Vax. outreach   |                               | 3.90 m  |  |
| Reach at max, height  |                               | 1 m   |  |
| Breakout force with bucket  |                               | 6236 daN  |  |
| Weight and dimensions   |                               | 0230 udiv   |  |
| Unladen weight (with forks)                                       |                               | 7650 kg   |  |
| Ground clearance  | m4                            | 0.41 m  |  |
| Wheelbase   | у                             | 2.81 m  |  |
| Dverall length to carriage (with hitch)                           | l11                           | 4.97 m  |  |
|   |                               |   |  |
| Overall length to carriage (without hitch)                        | 13                            | 4.80 m  |  |
| Front overhang  |                               | 1.21 m  |  |
| Overall width   | b1                            | 2.39 m  |  |
| Overall cab width   | b4                            | 0.95 m  |  |
| Overall height  | h17                           | 2.38 m  |  |
| Tilt-down angle   | a5                            | 134 °   |  |
| Tilt-up angle   | a4                            | 12 °  |  |
| External turning radius (over tyres)                              | Wa1                           | 3.93 m  |  |
| Standard tyres  | Allian                        | ce - A580 - 460/70 R24 159A8                              |  |
| Drive wheels (front / rear)                                       |                               | 2/2   |  |
| Steering wheels (front / rear)                                    |                               | 2/2   |  |
| Performances  |                               |   |  |
| Lifting   |                               | 6.80 s  |  |
| Lowering  |                               | 7.10 s  |  |
| Extension   |                               | 5.80 s  |  |
| Retraction  |                               | 5.20 s  |  |
| Crowd   |                               | 3.20 s  |  |
|   |                               | 2.80 s  |  |
| Dump  |                               | 2.80 \$   |  |
| Engine  |                               | Davita  |  |
| Engine brand  |                               | Deutz<br>Otene V  |  |
| Engine norm   |                               | Stage V   |  |
| Engine model  |                               | TCD 3.6 L4  |  |
| Number of cylinders - Capacity of cylinders                       |                               | 4 - 3621 cm <sup>3</sup>                                  |  |
| I.C. Engine power rating / Power (kW)                             |                               | 129 Hp / 95 kW  |  |
| Max. torque / Engine rotation                                     |                               | 500 Nm @1600 rpm  |  |
| Drawbar pull (Laden)  |                               | 7800 daN  |  |
| Reversible fan  |                               | Standard  |  |
| Engine cooling system   | 4 radiators (wa               | ter + air + hydraulic oil + transmissio<br>oil)           |  |
| Transmission  |                               |   |  |
| Transmission type   |                               | Torque converter  |  |
| Gearbox   |                               | Powershift  |  |
| Number of gears (forward / reverse)                               |                               | 6 / 3   |  |
| Max. travel speed (may vary according to applicable regulations)  |                               | 40 km/h   |  |
| Differential lock   | Limite                        | d slip differential on front axle                         |  |
| Parking brake   |                               | natic negative parking brake                              |  |
| Service brake   |                               | d multi-discs braking on front & rear<br>axles            |  |
| Hydraulics  |                               | anico   |  |
